

JOB DESCRIPTION

- Title of the post:** Assistant Farm Animal Technician – Pig Unit
Temporary(until May 2021), Full Time
- Department:** Animal Production Welfare Veterinary Services
- Reporting to:** Livestock Unit Manager

The University

Background

Harper Adams University is the leading UK Higher Education (HE) institution focused on the land-based and food supply-chain sectors with an important national role in these subject areas.

Situated on a single campus in rural and scenic Shropshire, the University, and its surrounding area, provide an excellent working and living environment for staff and students alike, yet the University campus is only one hour from the UK's second city of Birmingham. Around 3,000 HE students attend the University, primarily on sandwich courses which include a year-long industrial placement. Undergraduate and postgraduate degrees are offered. The University also welcomes individuals who wish to undertake CPD or similar professional training to support their careers in the agri-food chain and rural industries.

The University was founded by Thomas Harper Adams in 1901 on the original farmland of the Harper Adams Estate. The University estate includes amenity areas, woodland, and a commercial farm of 205 hectares; with rented land the total area farmed is approximately 640 hectares, spread over several locations with cereals, potatoes, forage maize and grassland carrying a dairy herd, sheep, beef, pig and poultry units.

The Privy Council awarded taught degree awarding powers to Harper Adams in 1996 and research degree awarding powers in 2006. Full University Title was granted by Her Majesty's Privy Council in December 2012. The University changed its legal status to that of a Company Limited by Guarantee in July 2012 and remains one of a small number of Universities which are Registered Charities. Her Royal Highness The Princess Royal became the University's first Chancellor in 2013.

Academic Provision

The University offers a wide range of courses including Foundation and Honours degrees, in addition to shorter awards designed to meet the continuing professional development needs of those already in the workplace. The subjects are wide ranging and cover Agriculture, Animal Studies, Business, Countryside, Engineering, Food and Land & Property Management. The University has also focused on developing its postgraduate education and research and there are a growing number of postgraduate students at both diploma, masters and PhD level.

Harper Adams has built up an international reputation for the quality of its courses and has achieved the highest possible ratings in recent Quality Assurance Agency reviews, and holds a Gold Teaching Excellence Framework (TEF) award. There is active encouragement of research and the University took part in the last Research Excellence Framework (REF) exercise. 56% of our submitted research was rated either internationally excellent or world leading and 100% was rated of international quality. Our extensive programme of research and education for professionals in the land-based and food chain sectors supports a high profile of business and community reach-out work, short course delivery for businesses and technology

transfer activities supported by strong industry links and partnerships with companies such as JCB and Marks & Spencer amongst many others.

Recognition

Harper Adams is consistently positioned highly in a range of national ratings, performance measures and league tables.

In the period since 2011, Harper Adams has won six Times Higher Education Awards including Outstanding Fundraising Initiative (2014), and has been shortlisted for fourteen other THE awards. In 2018, the Times Higher has shortlisted the university for the prestigious title of University of the Year, putting Harper Adams in the top six universities in the country. The finals are in June 2018.

In the 2016 and 2017 Whatuni? Student Choice Awards, based on student reviews, Harper Adams took the title of University of the Year and won the Student Support and Job Prospects gold awards, plus silver and bronze in further categories. In 2018 the University was runner up for the University of the Year title and won 3 gold awards, 3 silver and 3 bronze. It is the only University to win Student Support since the awards began four years ago and has won the category for best job prospects for three years running and best courses and lecturers for two years running.

Harper Adams ranked second in the 2016 Times Higher Education Student Experience Survey. In the Times and Sunday Times Good University Guide 2017, the University was ranked 36th, the highest position yet achieved by a post-1992 university, and was awarded the title of Modern University of the Year. In 2017 it was the highest ranked modern University for the second year in a row. In the QS World Rankings for Agriculture and Forestry published in March 2018, Harper Adams was ranked second in the UK for academic reputation and second in the world for its reputation with employers.

Facilities

Harper Adams has extensive, well-equipped facilities and is constantly investing in its campus. Facilities include a range of modern teaching facilities and an extensive library, a variety of IT suites including an engineering design centre, newly extended laboratory facilities, a field laboratory and a livestock project centre, a glasshouse complex, an agricultural engineering unit with a large covered soil working area and a number of sustainable technology installations. In 2013 a new teaching building and a new agricultural engineering innovation centre opened. In 2015/16 these were followed by two further buildings, one for veterinary services and one for entomology, and new halls of residence. Further new facilities opened in the period since 2017 include new laboratories, an Agri-Tech Innovation Hub and SMART Dairy Unit. Capital funding to support the development of many of these facilities has been provided through the work of the Development Trust. The University provides a range of training and professional development opportunities via its staff development programme.

Catering and Sports Facilities

The University's Students' Union operates a small gym and squash courts that staff may use on the payment of a nominal fee. The University has an open-air swimming pool and bowling green that are available for staff use during the summer period and new tennis courts have recently been developed. A variety of University catering outlets provide access to lunch facilities on campus.

For further details about the University, please visit our website:

The role reports to the Livestock Unit Manager but will require working as part of a team with a range of academic and technical staff involved in teaching and research activities primarily related to pigs. The successful candidate will work with pigs but may also be required to assist with poultry, dairy animals, beef and sheep used within teaching and research activities of the department. Due to the nature of the work and the need to ensure that all activities are undertaken as necessary, there will be a need for flexibility and to work across a range of animal

and biological systems.

Main Duties and Responsibilities

The main duties of the role include:

- Implement the day to day work needed for the feeding and care of the animals which are the responsibility of the Department.
- Assist in the preparation of the facilities for trial and experimental work to be conducted on the units, including academic staff research, postgraduate student research and undergraduate individual major projects.
- Assist in the organisation and preparation of classes including the maintenance and cleaning of the animal teaching area at the University.
- Assist, when required, with the demonstration of practical livestock tasks for student instruction;
- Support other Animal Technicians in the daily husbandry requirements and management of all animals and in the recording of experimental data.
- To undertake any other duties as requested by your Line Manager

The successful candidate will need to be flexible and prepared to work on a rota basis covering weekends and bank holidays and longer hours during the peak periods. Due to the nature of the work there will be a need to undertake heavy manual work in the setting up and running of the facilities.

Personal Specification

	Essential	Desirable
Experience	Candidates will have gained a range of husbandry skills through experience of working with farm animals	Experience and qualification in fork lift driving/general tractor driving would be highly advantageous
Knowledge/Skills	Candidates will need to be committed to ensuring the highest standards of livestock health and welfare is provided together with a thorough understanding of the need for biosecurity It will be essential for candidates to keep accurate and detailed records and attention to detail	Computer literacy will be useful
Personal Qualities	Candidates will need to have flexibility and adaptability, combined with a positive approach to working within a team The ability to work independently and as part of a team will be essential attributes to this role	A full current driving license will be advantageous

Conditions of Service

The national recommendations which have arisen from the negotiations between UCEA and the unions

recognised at national level, the Joint Negotiating Committee for Higher Education Staff (JNCHES), directly affect the terms and conditions insofar as they have been adopted by the Board of Governors.

Salary The commencing salary will be within the range £17,079 - £19,202 per annum. The point of entry will be dependent upon relevant qualifications and experience. Salaries are paid monthly, in arrears, by credit transfer on the 28th day of the month.

Contract Term This is a temporary, full time post. The employment may be terminated during the course of the contract by either party giving one months' notice in writing.

Hours of Work The routine working week is 37 hours over Monday to Friday, inclusive. There may be a requirement for overtime working from time to time and time off in lieu may be allowed for agreed hours worked in excess of 37 per week.

Holidays The annual holiday entitlement is 22 working days, plus 3 University closure days and Bank Holidays. Annual holiday entitlement rises to 25 working days with 5 years' service. The holiday year runs from 1 April to 31 March and in the holiday year in which the employment commences or terminates the holiday entitlement will accrue on a pro-rata basis for each complete week of service. The timing of holidays is subject to the agreement of the Line Manager.

Sick Leave During periods of certified sickness the post-holder will be eligible to receive sick pay in accordance with the University Sick Pay Policy. The payment of sick pay is subject to compliance with the University rules for the notification and verification of sickness absence, details of which will be provided to the successful applicant upon commencement of employment.

Pension The post-holder will be entitled to join the Local Government Pension Scheme (LGPS), subject to its terms and conditions. Full details of the Scheme will be provided to the successful applicant upon commencement of employment.

Exclusivity of Service You are required to devote your full-time attention and abilities to your duties during working hours and to act in the best interests of the University at all times. Accordingly, you must not, without written consent of the University, undertake employment or engagement including external consultancy, which might interfere with the performance of your duties or conflict with the interests of the University.

It follows that, regardless of whether you are employed on a full-time or part-time contract, you are required to notify your line manager of any employment or engagement which you intend to undertake whilst in the employment of the University (including any such employment or engagement which commenced before your employment under this contract). Your line manager will then notify you within 10 working days whether such employment or engagement is prohibited.

Criminal Convictions The post involves the opportunity for access to children and young persons under the age of 18. For this reason the University is entitled to take into account any criminal convictions, cautions or impending case(s) that it considers to be relevant to this post.

The post is exempt from the provisions of the Rehabilitation of Offenders Act 1974. This means that applicants are not entitled to withhold information about convictions which for other purposes are "spent" under the provisions of the Act.

Applicants must therefore complete the part of the application form declaring any criminal convictions and cautions from any court or police authority. The successful applicant will have to undergo a Criminal Records Bureau check before an appointment can be made.

References

Candidates should ensure that they provide full details of the name and postal address of their referees. Please include e-mail addresses and telephone numbers wherever possible.

Referees should include your present, or most recent, employer. References will normally be taken up immediately in respect of candidates shortlisted for interview. **If you do not wish any reference to be taken up at this stage, please enter an 'X' in the relevant box provided on the application form.**

Application Procedure:

All applications should be completed and submitted using the Harper Adams e-Recruitment programme at <http://jobs.harper-adams.ac.uk>

To be submitted no later than midnight on Monday 27th May 2019

This post is unlikely to meet the relevant criteria to allow the University to issue a Certificate of Sponsorship. Applications from candidates who require a Certificate of Sponsorship to work in the UK will be considered against the requirements stated in the recruitment documentation. Recruitment decisions will be made in accordance with the UK Visas and Immigration guidance.
