Our work is grounded through partnerships – with more than 1,100 organisations in the UK and beyond – that fuel our research, shape our teaching, and deliver genuine impact.

We began life in 1901 as Harper Adams Agricultural College and became a university in 2012. Our Chancellor is Her Royal Highness The Princess Royal and our Vice-Chancellor, Professor Ken Sloan, joined us in 2021. Our rural campus near Newport in Shropshire is supported by a growing site in Telford, offering a range of housing options and excellent rail and road connections to the West Midlands and beyond. We've invested more than £50 million in our estate in the last decade – including leading-edge teaching, research and veterinary facilities, modern laboratories, and a purpose-built Veterinary Services Centre. Our commercial farm spans 494 hectares and plays an active role in our education, research, and knowledge exchange.
